-	EXPRESSIONS OF INTEREST FOR THE SUPPLY, DELIVERY, INSTALLATION, TESTING, COMMISSIONING, WARRANTY, AND MAINTENANCE OF SMART CLASSROOM DEVICES	PERCUMA	05 /04/2025

**EXPRESSIONS OF INTEREST  
FOR THE SUPPLY, DELIVERY, INSTALLATION, TESTING, COMMISSIONING, WARRANTY, AND MAINTENANCE  
OF SMART CLASSROOM DEVICES FOR THE MINISTRY OF EDUCATION,  
BRUNEI DARUSSALAM**

The Ministry of Education (MoE) Brunei Darussalam is seeking Expression of Interest (EOI) from local Companies/Vendors to express their interest in providing technology solutions for Smart Classrooms. This EOI aims to explore the latest available innovations before initiating a formal procurement process.

**1. OBJECTIVE**

We are seeking cutting-edge educational technology that enhances teaching and learning. Vendors are encouraged to propose solutions that but not limited to:

- Support interactive and collaborative learning, allowing dynamic engagement in the classroom.
- Include built-in educational tools that enhance teaching without requiring ongoing subscriptions.
- Offer seamless connectivity and integration, enabling easy content sharing across multiple devices and platforms.
- Ensure compatibility with various operating systems and integration with existing school infrastructure.
- Provide advanced teaching and presentation capabilities, including real-time annotation and multimedia interaction.
- Feature intuitive and user-friendly interfaces, reducing the learning curve for educators.
- Incorporate visual and smart classroom tools, such as AI-assisted teaching aids or smart visualizers.
- Enable hybrid and remote learning, supporting real-time collaboration between in-person and online participants.
- Are scalable and future-ready, adaptable to evolving educational needs and technology trends.
- Offer cost-effective solutions with long-term value and minimal recurring costs.
- Ensure secure and reliable digital storage to safeguard educational resources and student data.

## 2. EXPECTED DEVICES

The Ministry is particularly interested in solutions that integrate with the following devices for Smart Classrooms:

- Interactive panels for dynamic teaching and lesson delivery.
- Student learning devices, designed for long hours of usage, ensuring durability and efficiency for classroom learning.
- Wall-secured terminals with mounted cameras to support seamless blended learning and real-time classroom interaction.
- Mobile LED TVs for remote users, providing flexible and adaptable learning experiences.

While the above devices are key considerations, vendors are encouraged to propose any new or innovative technology solutions that can further enhance the Smart Classroom experience by providing additional features and capabilities.

## 3. REQUIREMENT

Interested companies/vendors are invited to submit business proposals, which include but are not limited to:

- a. List of smart classroom devices, along with their specifications, key features, and unique advantages.
- b. List of furniture items suitable for smart classrooms, specifying their specifications and configurations.
- c. Payment options for acquiring Smart Classroom devices and furniture, including different panel size pricing, setup costs, licensing fees, and other associated charges such as maintenance, training, and support services.
- d. Recommended training programs, specifying details such as duration, topics covered, and associated fees.
- e. Product catalogs, showcasing available solutions relevant to smart classroom implementation.
- f. Indicative pricing (non-binding) provides insight into cost considerations.
- g. References to successful implementations in educational settings, including case studies or deployment examples.

## ELIGIBILITY REQUIREMENTS

- i. Expressions of Interest (Eoi) are invited from suppliers who are prepared and willing to provide services for the development, supply, delivery, installation, testing, commissioning, warranty, and maintenance of smart classroom devices for the Ministry of Education, Brunei Darussalam.
- ii. Suppliers intending to participate in the Eoi must ensure that they have a valid Business License registered in Brunei Darussalam.
- iii. Suppliers must possess a valid License to Conduct Business.
- iv. Any supplier currently on the blacklist is prohibited from participating in the EOI. The Authority reserves the right to cancel/disregard/reject the Eoi.

#### 4. COMPLETING FORMS GUIDELINES

- i. Understand all the specified terms and regulations in this Expression of Interest (Eoi) document.
- ii. **Vendors are encouraged to attend the Information Day scheduled for Thursday, 13 March 2025, 9.00 am at Sekolah Rendah Lambak Kanan, Jln 49, Ground Floor, Smart Classroom.** This event will provide vendors with the opportunity to ask questions and receive detailed clarifications on the EOI. It is an important occasion for gaining a deeper understanding of the project scope and requirements. **Attendance is highly recommended.**
- iii. For further inquiries, vendors may contact us directly:

	Pusat Teknologi Pendidikan, Kementerian Pendidikan
	<a href="mailto:edtech@moe.gov.bn">edtech@moe.gov.bn</a>
	673 2384333 ext. 202 (during office hours)

- iv. Ensure that all information provided in the Eoi is clear and explicit, avoiding any unclear or misleading statements that may lead to disqualification.
- v. Make any necessary changes/corrections to the written text or prices in the Eoi form by crossing out the incorrect word/number with a single line and using correction fluid to write the correct information above it. These changes shall be accompanied by the vendor's initial signature and company stamp.
- vi. Submit a complete Eoi form, signed by the company owner and stamped with the company seal, to avoid rejection or cancellation due to incomplete entries or non-compliance with guidelines.
- vii. Include any required additional supporting reference documents as copies, stamped with the Contractor/Supplier seal, along with the Eoi form during the submission process.

#### 5. SUBMISSION OF EXPRESSIONS OF INTEREST FORMS

Expressions of Interest (EOI) shall be submitted with the following documents:

- i. Copy of the Owner's Identification Card
- ii. Company Business Information
- iii. Copy of valid Business Registration Certificate (Certificate of Incorporation for Private Limited Company)
- iv. Additional Information/Details (description of prices and other relevant information with company stamp)

Suppliers must ensure that all Eoi forms and required documents are complete and included before submitting the respective Eoi. Any attachments/additional information will not be accepted after the Eoi is submitted/enclosed.

All submissions for Eoi participation should be <b>sent via email only</b> to the following address: <b><u><a href="mailto:edtech@moe.gov.bn">edtech@moe.gov.bn</a></u></b>
--

## 6. INFORMATION AND NOTICE

- i. Kerajaan Kebawah Duli Yang Maha Mulia Paduka Seri Baginda Sultan dan Yang Di-Pertuan Negara Brunei Darussalam is not obligated to accept and endorse the EOI with the lowest price or the one that is unrelated to the subject matter of the EOI.
- ii. Any existing national laws shall serve as the basis, reference, and guiding principles for the implementation of this service from the opening of EOI submissions until the completion of the service.
- iii. Any participation that is rejected due to reasons such as late submission of EOI, failure to meet requirements, submission of false information, or violation of participation rules will not be considered.
