RECORD OF ACADEMIC ACHIEVEMENT
Diploma Supplement

This Diploma Supplement follows the model developed by the European Commission, Council of Europe and UNESCO/CEPES. The purpose of the Supplement is to provide sufficient independent data to improve the international "transparency" and full academic and professional recognition of qualification (diplomas, degrees, certificates, etc.). It provides a description of the nature, level, context, content and status of the studies that were pursued and successfully completed by the individual named on the original qualification to which this supplement is appended.
